## NATURE DAY CAMP 2017 CAMBERSHIP FORM

It is Bear Creek Camp's desire to not turn any camper away due to financial need and it has been our practice to offer Camperships to campers in need for years. We are able to do so thanks to generous donations throughout the year. To process a Campership request we require a Camper Registration form, this Campership form (fully completed) and deposit. These all may be completed online. All three must be present in order to proceed with the Campership. We review all Campership requests monthly; requests may take up to one month. If, for some reason, you are not rewarded the amount you need, your deposit is fully refundable. Some scholarship monies come from outside sources and require that we release camper information to them. By submitting this application you agree that camper information can be released for scholarship purposes.

Please note, you can only apply for a campership for one Nature Day Camp Week.

We would love to hear from your camper. A letter from your camper telling us why they would love to come to camp would be great! (This is not a requirement for a Campership)
