## SUMMER 2018 CAMBERSHIP FORM

It is Bear Creek Camp's desire to not turn any camper away due to financial need and it has been our practice to offer Camperships to campers in need for years. We are able to do so thanks to generous donations throughout the year. To process a Campership request we require a Camper Registration form, this Campership form (fully completed) and a deposit. These all may be completed online. All three must be present in order to proceed with the Campership. We review all Campership requests monthly; requests may take up to one month to be approved. If, for some reason, you are not rewarded the amount you need, your deposit is fully refundable. Some scholarship monies come from outside sources and require that we release camper information. By submitting this application you agree that camper information can be released for scholarship purposes.

Please note, the optional additions of Camp Store Spending Money, Quest Group Photo, Weekly Highlight DVD, and Canoe and Rafting Trips are not included in the deposit amount and cannot be covered by Campership monies. If you wish to purchase these items you must pay this additional amount beyond the deposit. Please do not include discounts when calculating your Campership request. Campers must register at least 2 weeks prior to desired week of camp. Camperships are good for one week of summer camp.
