

BEAR CREEK CAMP

# NATURE DAY CAMPS

## SUMMER 2025

### WILDERNESS SURVIVAL June 16-20

This session is all about learning essential survival skills, from building shelters and starting fires to mastering outdoor safety techniques. You'll gain confidence and personal growth as you work together to create your very own survival base camp.

### HABITAT EXPLORERS June 23-27

Grab your hiking boots and off we go! Let's explore the amazing trails and creeks of Bear Creek Camp, while creating your very own adventure filled hiking journal.

### FISHING FRENZY July 7-11

Who lives in our streams, vernal pools & lake? Whether you're a seasoned angler or beginner, we will start you off with the basics from casting to tying lines. Learn about PA's fish and enjoy time practicing your fishing skills. Feel free to bring your own tackle/rod or we have some to share.

### NUTS ABOUT NATURE July 14-18

For those who have a deep appreciation for nature's beauty! We will explore ecosystems where every leaf, rock and stream have a tale to tell. We will learn about local wildlife and encourage a sense of stewardship and appreciation for the environment.

### AQUATIC ADVENTURERS July 21-25

Dive into adventure as we explore our camp's water features, where we'll discover the creatures that call them home—newts, frogs, turtles, and crayfish, just to name a few!

### ADVENTURE WEEK July 28 - Aug. 1

From conquering the high ropes and zip line to scaling the climbing wall, there's no shortage of thrilling activities to enjoy. Embark on scenic hikes, take to the water with boating and swimming, and build community on our low ropes course.

### END OF SUMMER BLAST August 4-8

Get ready as we pack in all your favorite camp activities—swimming, boating, hiking, fishing, ropes courses, slip-n-slide, arts & crafts, and of course, s'mores! It's the grand finale of summer, with something for everyone to enjoy one last time!

EXPLORE GOD'S CREATION WITH US THIS SUMMER!

# NATURE DAY CAMP

Nature Day Camp is for ages 5-14. Campers will be grouped together based on age which will allow them to experience all that Bear Creek Camp has to offer.

Campers start their day with a fun, activity-based Bible verse, and then continue the fun and learning with hiking, aquatic activities, games, arts and crafts, and more! As campers grow individually and as a group, they will discover ecological connections in the world around them.

Aftercare is available - contact us!

## ABOUT OUR STAFF:

Nature Day Camp Counselors are adults (18+) passionate about nature and teaching youth. They are trained to share the natural world found at Bear Creek Camp and utilize best practices for working with children.

Junior Counselors are paid and volunteer staff between 13-17 years of age. Throughout the summer they will work alongside adult NDC staff as they develop valuable leadership and environmental education skills.

Those interested in exploring these opportunities should contact the Bear Creek Camp Nature Center.
